

Welcome

4:00 - 7:00 p.m. **Open house**

4:30 p.m. **First presentation and Q & A**

6:00 p.m. **Second presentation and Q & A**

During the presentation, Portland General Electric (PGE) representatives will describe their proposed project, and the state and federal agencies will discuss their processes for analyzing PGE's proposal. The presentation will be followed by a questions and answer session, where members of the public may ask questions of PGE, the state and the federal agencies.
